

8th Annual Community Builder Awards

*To describe our recipients
of awards for building the community
we have some special words
from the UWABC*

*On the board of the Road Home
Sharron Horsey makes connections grow
not only through her vision
but with barbeques and Bingo*

*Reaching Hearts Through Reading
Leslie, Mary Ann and Margo make three
they bring kids and seniors together
improving hearts and scores dramatically*

*Gary Walton of Beehive Bail Bonds
gives his leadership and support
to families and non-profits
where resources may come up short*

*And finally, Josie Valez
we honor for her a lifetime
her heart and soul contributions
are too numerous to rhyme*

*Thanks to our recipients
and to each and every one of you
for building our community
with the many things you do*
